NINL Kick Starts 5S Implementation

Neelachal Ispat Nigam Ltd (NINL) - promoted by MMTC Ltd., IPICOL, OMC & other government agencies - kick started activities to implement the 5S concept at its Kalinga Nagar plant in Odisha. 5S is a Japanese concept designed to enhance productivity at work place by implementing five elements such as Seiri, Seiton, Seiso, Seiketsu and Shitsuke for employee effectiveness and efficiency. A kick up meeting under the chairmanship of Shri S.B. Jagdale, Jt. Managing Director, NINL was conducted recently. NINL with the help of Quality Circle Federation of India (QCFI), Bhilai Chapter has taken this initiative to implement 5S and hopes to attain more consistent operational results. Grass root training was imparted to coordinators and zonal leaders for the accomplishment.
